

## WestFax Brewing Company Artist Call!

WestFax Brewing Company, located in the heart of 40 West Arts District at Lamar Station Plaza (6733 W. Colfax Ave.) seeks artists to hang and display artwork on its walls. This is a prime location with tons of traffic to the brewery, and right along the new 40 West ArtLine and next door to additional galleries.

This is an ongoing opportunity throughout 2018 (and beyond). Artists will hang for a two-month period. Artists are required to hang their own work. 40 West will retain 15% of sale of artwork as a donation. The rest is yours to keep.

For more details and to express interest, please email 40 West Arts volunteer art curator Dave Dunda at [davidmdunda@gmail.com](mailto:davidmdunda@gmail.com).
